## Absolute Hotel Services Expands into Kuala Lumpur with Exciting New Projects.

Absolute Hotel Services (AHS) and its affiliates are thrilled to announce our first project signings in Kuala Lumpur, Malaysia. This marks a major milestone in our regional growth strategy.

AHS will lead the redevelopment and relaunch of the iconic Palace of the Golden Horses under the Absolute Collection brand in partnership with the visionary Country Heights Group. Opened 30 years ago, this landmark hotel has hosted APEC and G7 gatherings and welcomed numerous heads of state and royalty. Featuring 470 rooms, five dining outlets, 20 event spaces, and an on-site medical center, the hotel is a key element of The Mines masterplan, just 45 minutes from Kuala Lumpur International Airport and 30 minutes from downtown KL.

Adding to this exciting expansion, Absolute Golf Services (AGS) proudly welcomes The Mines Resort & Golf Club to our management portfolio. This world-renowned course, designed by Robert Trent Jones Jr., has hosted multiple PGA Tour events, including the CIMB Asia Classic, the Asian Tour, and the 1999 World Cup of Golf, where Tiger Woods and Mark O'Meara were crowned champions. AGS will oversee the club's renovation and redevelopment, ensuring it remains a premier golfing destination.

Both projects are expected to be re-launched in 2026.

Stay tuned for more updates as we bring these legendary properties into a new era of excellence!

## Absolute Hotel Services Shines in Booking.com's Traveller Review Awards 2025

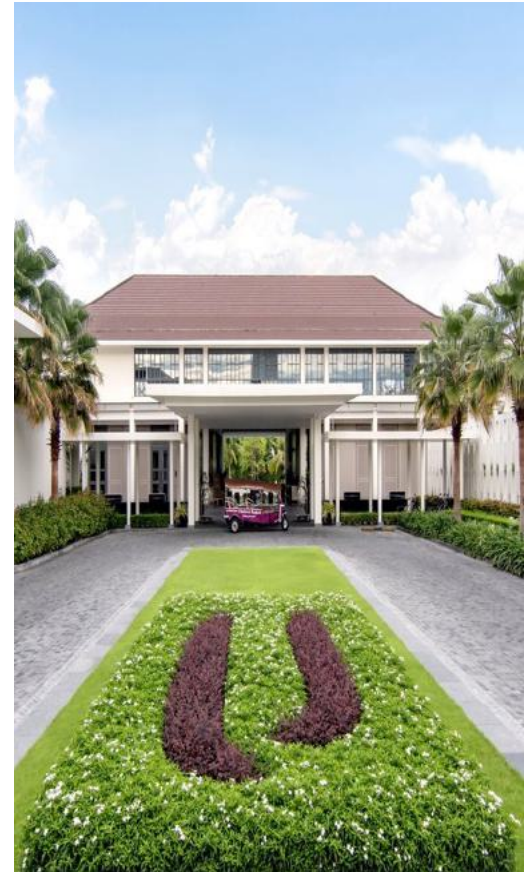

Absolute Hotel Services (AHS) is proud to celebrate a remarkable achievement in the Traveller Review Awards 2025, an annual recognition by Booking.com honoring the world's top hospitality providers.

This year, AHS stands among the best in the industry, with 25 out of 26 properties across Thailand, Indonesia, Vietnam, India, and Laos receiving this prestigious award. The recognition spans all hotels under Eastin Hotels & Residences, U Hotels & Resorts, and Absolute Collection, underscoring our commitment to exceptional guest experiences.

Adding to this success, AHS has achieved an impressive chain-wide rating of 8.7, a testament to the dedication and passion of our teams.

"We are extremely proud to be recognized once again in the Traveller Review Awards," said Jonathan Wigley, CEO of Absolute Hotel Services. "This achievement reflects our unwavering commitment to delivering outstanding hospitality to our guests."

A heartfelt thank you to our incredible teams and loyal guests who make this success possible!
